

Working Through Change, Burnout & Negativity

Do you feel overwhelmed with the changes your organization is implementing? Do you or your team struggle with fear of change, negativity, and high stress? Combine any of these and your projects will suffer while you and/or your team ultimately loses productivity.

In this workshop, you will learn how to manage change fluidly while getting buy-in and support from those around you. You will also learn techniques for implementing innovative strategies to increase your resilience and stay aligned with company-wide initiatives without impacting your project deadlines and budgets.

This high-impact, interactive LDi Success Series Seminar will give you hands-on tools and techniques that you can apply immediately following the workshop.
