## **Building a High-Performance Work Team – September 24, 2019**

Team building is an essential skill that is required in today's workforce to achieve optimal outcomes. Good teamwork is often a result of hardworking leaders striving to maximize the potential of all their employees. Workplace challenges such as change, and conflict can really test the strength of the team. Leaders who fail to recognize these signs run the risk of disharmony and not meeting productivity. This one-day seminar will help professionals learn how to make decisions, solve problems and settle conflict.

## **Restore Harmony & Reduce Stress When Life Gets Crazy – November 13**

Stress...the Silent Killer, can destroy the people we often times refer to as our "Human Resources". All of us, whether at our work or in our personal lives, are under stress to produce, abide by rules, and exist compatibly both on and off the job. Learn to deal with the stresses in our lives so as to be healthier and more effective. The demands on our time today are some of the highest they have ever been – work (bosses, co-workers, customers), family (spouses, children, aging parents), society (news, social media), and more.
