

Building a High-Performance Work Team

Team building is an essential skill that is required in today's workforce to achieve optimal outcomes. Good teamwork is often a result of hardworking leaders striving to maximize the potential of all of their employees. Workplace challenges such as change and conflict can really test the strength of the team. Leaders who fail to recognize these signs run the risk of disharmony and not meeting productivity. This one-day seminar will help professionals learn how to make decisions, solve problems and settle conflict.

Attendees will learn how to combat common stumbling blocks such as difficult team behaviors, what to do when conflict is imminent and how to help employees cope with change. Additionally, participants will learn how to grow their own leadership skills, how to give effective feedback to team members and how to inspire workers to succeed. Attendees will leave this seminar with improved leadership skills, ready to turn their workplace into a more effective and productive organization.
