

Introducing Microsoft® Trainer Media Baldwin

Media Baldwin is known in the training world as the **Shortcut Queen™**. She shares practical, ready-to-implement tools, tricks and techniques for combining all things “tech” and common sense to get the job done.

She has helped busy executives throughout the 50 United States, Canada, the U.S. Virgin Islands, Puerto Rico, the British Virgin Islands, England, Scotland, Ireland, Australia and New Zealand.

Through the use of custom training, consulting services, and dynamic webinars and audio conferences, Media has taken her message around the world: you CAN get more done in less time- you just have to work SMARTER not harder. Truly she is the **Shortcut Queen™**!

Working with leading companies and executives around the world, Media helps them to get the most out of the technological tools available today.
