Conference for Frontline Supervisors is dedicated to the success of anyone who wishes to go from good to extraordinary in their supervisory position. Being presented in **4 modules across 4 half-day training days**, this event will give you the edge you need to be an Extraordinary Supervisor!

Module 1 – Hard Skills Management Plan, MTEL, Stand-up

This module is all about those “hard skills”, those tangible-you can look at and touch-skills that every leader can benefit from by adding them to their tool bag.

Module 2 – The P.O.W.E.R. of One 5 Principals of Successful Supervisors

Walking away from this module you will be energized and empowered! Examining the power YOU possess and learning to take control.

Module 3 – Values-Based Leadership

Module 3 is all about recognizing, understanding, and identifying how values-based leadership aligns with and enhances organizational performance and effectiveness, and how to incorporate it into your daily operations.

Module 4 – Communicate with Confidence and Clarity

We're focusing on analyzing barriers that inhibit the communication process; learning what it takes to communicate effectively. Effective communication yields positive results.
