Employee performance is based on results. Your ability to get others to achieve results as a leader, having excellent coaching and mentoring skills are crucial, not only to help employees be effective at their jobs but also to motivate and inspire them to excel and grow. Learn what really 'drives' employees today and how to coach and mentor in a way that inspires and creates a positive work environment. In this highly interactive workshop, participants will learn tools and techniques to help them master coaching and then experience it hands-on in a safe and fun classroom environment.

## WHAT YOU WILL COVER

- ★ How to inspire employees using leading-edge approaches in a do-more-with-less environment
- ★ Techniques to coach employees in a way that creates personal buy-in
- ★ The 10 Best Practices to follow when dealing with challenging behaviors
- ★ How to consistently create accountability and follow-through with employees
- ★ The greatest secret to employee engagement
- ★ How to implement graduated discipline practices that create the highest probability for employee success
