The Women-to-Women workshop was designed by women for women. The workshop focuses on providing proven strategies, tools, and tips that are guaranteed to make you a more empowered woman. This workshop allows you to learn from the creator of the workshop; sharing stories, ideas, and life experiences of other women only enriches your experience and provides inspiration, motivation, and empowerment!

The workshop provides a unique opportunity to meet, mingle, and network with a diverse group of women who will inspire you beyond imagination. The compassion, experiences, accomplishments, and strengths of other women will propel you to go beyond what you thought you could achieve! Join us at the table for a day of enrichment.

WHAT YOU WILL COVER

- Embracing the power of your personal style
- The keys for our success
- Earning a seat at the table
- Strategies for building confidence and assertiveness that commands respect
- Recognize that you are not alone in your quest for success
- Recognize how our attitudes determine what we get in life . . . or not
- Feel empowered rather than guilty when saying 'No'
- Owning your future from this day forward

HOW YOU WILL BENEFIT

- Feel good about yourself starting from the inside and learn how others interpret what you display
